

YEAR AT A GLANCE FY2024

The Boggs Center on Disability and Human Development is New Jersey's federally-designated University Center for Excellence in Developmental Disabilities (UCEDD) and Leadership Education in Neurodevelopmental and Related Disabilities (LEND) program. Part of Rutgers Robert Wood Johnson Medical School, the Center promotes inclusion of people with developmental disabilities in all aspects of community life through **community and student training, technical assistance, research, and informational materials**. This year-at-a-glance report provides an overview of the Center's work during fiscal year 2024, our 40th year as New Jersey's UCEDD.
